THERE'S NO ROOM FOR ERROR

NETFLIX

APPROACH 1

BIG BANG MIGRATION

- do once and forget
- platform benefits - for everyone
- dedicated effort
- blocker blast radius
- huge cross-team effort
- multiple regressions
- active development sync
- implementing missing features
- huge engineering effort
- requires huge platform support

APPROACH 2

PHASED MIGRATION

***Three phases:** preparation, migration, follow-ups.*

*Pin dependencies per app, **migrate one app at a time.***
