

**THERE'S NO ROOM FOR ERROR**

NETFLIX

# APPROACH 1

**THERE'S NO ROOM FOR ERROR**

NETFLIX

# APPROACH 1

## BIG BANG MIGRATION

- do once and forget
- platform benefits - for everyone
- dedicated effort

- blocker blast radius
- huge cross-team effort
- multiple regressions
- active development sync
- implementing missing features
- huge engineering effort
- requires huge platform support

## APPROACH 2

### PHASED MIGRATION

***Three phases:** preparation, migration, follow-ups.*

*Pin dependencies per app, **migrate one app at a time.***
